# MESSAGE

Dear Esteemed Colleagues,

It is with great pleasure that we extend our warm invitation to you for the upcoming Dr. Gyan P. Lal CME Conference funded by the Indian Radiological & Imaging Association (IRIA) and conducted by the Indian College of Radiology & Imaging (ICRI), organized by Telangana state chapter of IRIA.

This collaborative effort promises to be a cornerstone event in the field of radiology, offering a comprehensive platform for learning, collaboration, and professional development. Venue of the conference is beautiful Auditorium of Indoamerican Cancer Hospital, located in the heart of the vibrant and dynamic city of Hyderabad, India.

Our esteemed faculty, comprising distinguished national experts in radiology, will deliver insightful talks and presentations focusing on abdominal imaging.

The program also includes engaging sessions such as film reading, interactive case discussions, and an App-based Quiz, providing participants with valuable hands-on learning experiences. This conference is meticulously crafted to cater to the needs and interests of both postgraduates and consultants in the field of radiology. Topics covered will span from foundational concepts in conventional radiology to cutting-edge advancements in advanced imaging techniques, interventions, and Hybrid imaging.

Your active participation and contributions will undoubtedly enrich the discussions and contribute to the success of this event. We encourage you to join us as we explore the latest advancements and best practices in abdominal imaging and radiology as a whole. We eagerly anticipate your presence at the Dr. Gyan P. Lal CME Conference and look forward to fruitful interactions and networking opportunities.

Warm regards.
