27th & 28th March, 2021

(Saturday & Sunday)

On Digital Platform

Organized by
Telangana State Chapter of IRIA

**Telangana State Medical Council
has awarded 8 CME Credit hours**

MESSAGE

Dear members and students,

Seasons greetings and best wishes to you and your family in this new year. Hope you are doing well in these challenging times.

We kick start academic events in this year with 5th KARE program organized by Telangana state chapter of IRIA on 27th and 28th March 2021. Due to the limitations imposed by the COVID -19 pandemic, this year, the event will be a virtual event

The program covers all the major subspecialties of Radiology with an emphasis on MD/ DNB post graduate practical exams. The emphasis this year is on 'Case based reviews', which would include the typical and important exam cases that should be helpful in your final exams.

Eminent national and local teachers are part of this goal to impart quality education who will be sharing their experience and guide the young Radiologists to face the exams and come out in flying colors. It is a two-day program, constituting spotters and case reviews.

We sincerely extend a warm invitation to all the students to make use of this scientific program and enhance their learning.

Best wishes

Dr. K. Prabhakar Reddy
Adviser, KARE

Dr. Venkat Ram Reddy
President, IRIA TS Chapter
& Organising Chairman

Dr. N. Eshwar Chandra
Sci. Program Co-ordinator, KARE

Dr. Ravuri Power
General Secretary, IRIA TS Chapter
& Organising Secretary
