MESSAGE

Dear Friends,

Greetings from Telangana State Chapter of IRIA.

Telangana chapter of IRIA is a very vibrant and dynamic organization catering to the academic, networking and social needs and concerns of the members.

Continuous radiological education has been a priority for us. In continuance of this tradition, we are organizing KARE (Kakatiya Academy of Radiology Education) a 3 day exclusive post graduate teaching program for the exam going students in December 2015. This program will be organized every year. The program features eminent national and local faculty with lectures, spotters, discussion of practical exam cases and discussion of theory questions.

We warmly welcome you to Hyderabad to participate in this academic feast.
